Copy of letter No. H. R. 1-102/56652 dated the
17th February 1903, from the Postmaster-
General, Madras, to the Resident in
Mysore.

I have the honour to inform you
that on the 5th February 1903 the mails for
Koppa to Tarikere; which were being conveyed
by the mail jutka, were attacked by a gang
of dacoits, at a place 2 miles to the north
of Lakkavalli. The attack was made at
4-30 P. M. and the robbers were about 30
in number. The drivers and the passenger
in the jutka were roughly handled by the
dacoits and robbed of whatever they had.
The mail bags were all cut open and a re-
-mittance of Rs 200/- (two hundred) which they
contained, was stolen.

9. The Police who investigated the case arrested 23 men of whom 11 escaped subsequently and have not yet been rearrested the rest are said to be undergoing imprisonment in connection with previous cases against them and steps are being taken by the Police to place them on their trial in the present case.

Sir,

With reference to your
docket no: 9 1367 of the 4th instant
in re the mail dacoity case near
Lakkavally, Kadur District, I
have the honor to forward herewith
Copy of letter no: 231 of the 7th
instant from the Deputy Commissioner,
Kadur, from which it will be seen
that the date of occurrence of the
offence in question was 5th February 1903

is apparently a mistake for 5th/10 February 1902 though the other facts connected with it are as narrated by the Post-Master General, Madras.

2. This case was one of a series of dacoities committed in the Kadur and Shimoga Districts during the months of January and February 1902 by a foreign gang of Koraichans and the report about the ^{above} occurrence as well as of others and the various measures adopted by my predecessor to trace the dacoits and hunt

them down was already submitted to Government on the marginally noted dates. A comprehensive memo detailing the events and the preventive and detective measures adopted in the matter was submitted for the information of Government with this office letter no: $\frac{1357}{104}$ dated 30th September 1902 and the Government were pleased in their order no: $\frac{6332}{2538}$ dated 25th October 1902 to record the same with satisfaction.

Sir,

Referring to your docket No. 13
dated 6th March 1903 regarding a mail
dropped near Lakvalli and requesting an
explanation as to why the same was not
reported to you, I have the honor to
state that evidently 5th February 1903 is
a mistake for 5th February 1902.

The Kopha mail was scabbled on the 5th
February 1902 and the case was duly reported
to you as case No 381 on the Police file of
the District for the year 1901-02.

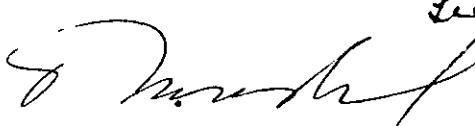

3) beg to draw your attention to the memo
submitted with my letter No 2 dated 11th September

Memorandum

On the evening of the 5th February 1902, at about 4 P.M. the Jutka carrying the mail from Koppa to Jari Kere was attacked by a gang of dacoits numbering about 30, armed with choppers, & bamboo clubs. The driver Mohadin Sab was first assaulted, and being hurt on the nose fell down - senseless. There were 4 other passengers inside who were also handled very roughly. The robbers then robbed them all of their property valued at Rs 79-12-ⁿ, and tearing open the sealed mail bags, abstracted Rs 200/- found in the cash bag, scattered the other contents and left the scene after damaging the harness, and cutting the Jutka-pony's tail. Driver; Mohadin Sab managed

managed in the meantime to hide —
himself till their departure and about half
an hour thereafter he observed a cart with
two Mohamedans coming from the Yeda-
halli side and drove with them to Lakkavalli
Police Station which is about $2\frac{1}{4}$ miles from
the scene and there lodged his complaint.

The mail Jutka was due at Jari Kere
in the evening and its non-arrival even at
9 or 9.30 P.M. roused the suspicions of the
Post Master and the Amildar of the Taluk.
At about midnight the Amildar received
information of the mail Jutka having been
dacoited near Lakkavalli; whereupon he
proceeded to the spot immediately and —
caused a search to be made in the ad-
joining Jungles for the offenders. This was
followed by two other dacoities on passengers
and cartmen in rapid succession but the
culprits baffled all attempts of the Police and
the villagers to trace them out.

The

The persistent efforts on the part of the Inspector General of Police, the Deputy Commissioner, the Superintendent of Police and other subordinate Police officers and men towards tracing out the dacoits proved fruitless and nothing more was ascertained about the gang than that they were foreign Korchers. From a close analogy of the details of this series of dacoities with those committed in the year 1901, about the same parts, it was surmised that the offenders in the present instance were either — in whole or in part natives of Kudlige of the Bellary District on the British Frontier. As the series of dacoities, in the meanwhile, ceased, it was resolved that the gang should be hunted down to their homes. For this purpose a Police Inspector was detailed on special duty on the 17th February 1902, together with two Korchar informants

Tejga

Tejiga and Boziga whose detective services,
The Assistant Superintendent of Police of The
Kadur District, engaged on promise of reward.

The detective party went to Kudlige via —
Davangere and Jaggalur gathering infor-
mation on their way of a gang that had
recently returned to Kudlige and committed
an offence there. The Inspector here took 3 more
Korchars into his confidence. After travelling
through the Taluks of Kudlige, Horpet, Kopta
and Gadag, and through the combined —
efforts of the Inspector and his faithful
followers, information was received that
the gang that committed their depredatory
excursions in the Districts of Kadur and
Minnoga, were encamping in the Sirohatti
Taluk of The Sangali State. The Inspector
was able to spot the gang under the leader-
ship of Bucha Bodiga encamped at Bickanatti,
in the Sirohatti Taluk. One Bhima a complainant
in

²⁴
Hyengar personally conferred with the Dewan
of the Sangli State regarding the recapture
of the runaway members of the gang; but
notwithstanding the strenuous endeavours
on the part of the Sangli authorities, the
escaped prisoners could not be traced.

From information received from
the two prisoners in the Sirohatti jail the
detective Inspector came upon a gang of 6
Korchars near Kanakavedu in the Yemmi-
gamur Taluk. The gang was then searched
and the suspicious property together with a goat's
skin was found in their possession. The latter
having been identified by one of the local
Complainants, to be the skin of his missing
goat, the Police of Yemmigamur arrested the said
Korchars and the case ended in conviction before
a magistrate. Of these Jammaquadu and
4 others were identified by two complain-
ants Hottiga and Bhima in the dacoities
committed in the Shimoga District. —
Besides two of the above, 5 Korchars,
Confessed

in the dacoity cases of the Kadur District, was next sent for, and he identified in the gang Nagadoo and 11 others as the individuals who were present among those that committed the offence of dacoity in the Jari Kere Taluk in 1901. The local Mamledar Magistrate of Sirohatti Taluk was then moved to remand these persons to custody pending the issue of extradition warrants for their surrender.

While the prisoners were being escorted from the Magistrate's camp to the jail at Sirohatti, 10 of them managed to escape from custody through the negligence of the Sangli Police escort and the remaining two were taken and confined in the jail. The detective Inspector interviewed them in the jail when they admitted having taken part in the mail robbery near Lakvalli. It may be noted that the then officiating Inspector General of Police Mr. B. K. Venkata Rao
Hydrabad

25

Confessed before The Sub-Magistrate of —
Yemmiganur, ^{to} having taken part along —
with others in the mail dacoity and other
offences and implicated also Valagi, Venka-
ligadu and 5 others who were then at Yem-
miganur. These were ^{also traced out and} taken into custody —
by the local Police to be proceeded against,
under section 107 of The C. P. C.

One of the passengers in the mail
Jutka that had been dacoited was then sent
for and he identified these six as among the
perpetrators of the offence.

It is to be regretted however, that
again, one of the five persons placed before
the Yemmiganur Sub-Magistrate escaped
from the custody of the local Police while
being escorted to Yemmiganur in connection
with a different offence.

The encampments of the gangs —
spotted out as above were searched with
the

²⁶
The result that various articles of property
which appeared to be suspicious were seized.
These were finally identified as those robbed
~~of~~^{from} the complainants in the different dacoity
cases of the Kadir and Shimoga Districts.
Some more articles which had been dis-
posed of to different individuals were also
recovered and identified.

Applications were made in due
course for the issue of extradition warrants
against the 23 Korchars including the 11
that effected their escape both in the Sirohatti
Taluk of the Sangli State and in Yumniganur
and warrants were also issued soon after;
but they could not be executed at once as
the individuals were undergoing sentences
of imprisonment for offences committed
in the Sangli State, and in the British-
Territory. The preliminary enquiry by the
1st class Magistrate, Kadir District, into the

The case of mail dacoity, The Police investigation of which was completed long ago, was therefore delayed and the case now stands posted to the 30th instant for hearing, by which time all the accused persons — except the 11 that effected their escape would have been produced for trial together with the witnesses for the prosecution. [The result of the trial will be duly intimated ~~for~~ ^{to} the information of Government.]

These were
very much
copied; 1 to 100
of 2 x -

It may be added that — from the date of the occurrence of this mail robbery, arrangements were made for some time for the safe escorting of the mail by making an armed Police Constable travel with the mail from Koppa to Jari Kere and necessary instructions have been issued to the local Police to be always vigilant in view to prevent a recurrence of

Enclosure No. 5

Sir,

I have the honor to report that on the night of the 2nd instant information was received by the Police Superintendent that five of the seven undertrial Korohe prisoners connected with the dacoity cases of Farikere and Shimoga Taluk, had managed to escape from the District lock-up. The Superintendent proceeded to the spot and sent search parties all around. On the next morning the —

The information was laid before Doctor Benson, the Inspector General of Prisons who was here at the time. He inspected the spot and held a personal enquiry into the matter.

The prisoners referred to managed to get out of their cell by removing an iron bar of a window and with the aid of a wooden triangle and a coir rope which they found in an adjoining room, which had been left unlocked, climbed over the compound wall and made good their escape. It seems evident that the Jail guard on duty was asleep at the time.

All possible endeavours are being made to recover the runaway prisoners.

The information has been wired to all the adjoining districts and descriptive rolls of the prisoners have been sent.

The guard on duty, who is found to be at fault will be duly prosecuted.

I beg to state that the prisoners under reference had just been ordered by the 1st Assistant Commissioner and 1st class magistrate to take their trial in the Sessions under Section 395 I.P.C.

A copy of the descriptive roll of the escaped prisoners is enclosed for information. I request that

39

that you will be so good as to order the
publication of the same in the local Police
Gazette, as well as, that of the Madras
Presidency.

Secretary to the Government of Mysore

Sir,

With reference to your docket No: 1843/J.P. 57 dated the 19th Ultimo, stating that if the 5 persons referred to as having escaped on the night of the 2nd Idem, were also concerned in the Mail robbery case that took place on the 5th February 1902 at Lakavalli, a separate report may be submitted so far as regards the escape of prisoners concerned in that robbery case only, for transmission to the Residency, I have the honour to report that from the Kadur Deputy Commissioner's letter No: 328 dated the 27th Ultimo, copy of which is herewith forwarded for information, it will be seen that 23 persons were concerned in the Lakavalli Mail robbery case of whom 11 made good their escape in the Sangli state and also in the Bellary District, and of the remaining 12 seven prisoners were surrendered for trial in the Kadur District. The 1st. Asst. Commissioner and 1st. Class Magistrate who enquired into the Mail robbery, committed the accused on 1st Ultimo, to the Court of Sessions. Of these seven prisoners, 5 escaped on the night of the 2nd Idem.

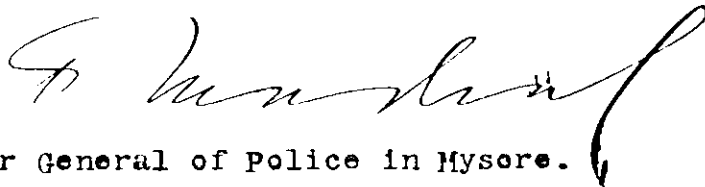

With

With reference to para 2 of the above , the Deputy Commissioner
states that when the report on the outbreak of dacoities ⁱⁿ (the Kadur District was submitted to Government, only 4 prisoners were surrendered
the other 3 having been handed over subsequently, as will be seen from
the details furnished in para 1 of the Deputy Commissioner's letter.
This explains the discrepancy in the number of prisoners pointed out
in para 2 of the above.

2. Proceedings against all these seven prisoners were taken in the Court of the First Asst. Commissioner and First Class Magistrate in respect of the mail robbery of the 5th. February 1902 as well as of other dacoites committed by them about the same time and the result was that they were all ordered by the Magistrate on the 1st. May 1903 to take their trial in the court of Sessions.

3. Of these 7 prisoners, 5 escaped on the night of the 2nd. May 1903 as already reported.

4. With reference to para 2 of the Secretary's docket calling for explanation as to how 7 men came to be charged instead of 4 who were surrendered as reported to Government in your letter dated 12th. March 1903, I beg to state that when your letter under reference, was submitted to Government, only 4 prisoners had been surrendered and that the other 3 arrived here subsequently as will be seen from the details noted in para 1 above.
